That You alone will bring the rainfall in the drought

So let Your name be known

In all the Earth, in all the heavens Lord our God

We pray be glorified

With every breath, in every moment You are God  
**Bm**  
So let Your name be known

## **Verse 2:**

Lord we know that there are greater things to come  
For we've seen a glimpse of Heaven's Glorious Son  
And we've tasted of the victory You have won

## **Bridge:**

**D D/F# G**  
It is only by Your grace God  
**D D/F# G**  
That we may enter in the secret place  
**D D/F# G**  
We will thank You for Your grace God  
**D D/F# G**  
You gave Your life to meet me face to face
